

We are hiring...

*Are you looking to grow in a unique challenging environment? If yes, then this could be the right opportunity for you!*

### **Vacancy 1: Plant Operator – shift 24x7 roster**

Multigas Ltd is looking for energetic individuals to fill the vacant posts of Plant Operator. The main duties for this role are to monitor, optimise the operation of two Air Separation Units, as well as start up the plants according to stock demands. Furthermore, you shall run the cylinder filling stations.

The selected candidates will form part of a team of Plant Operators who rotate on a shift roster basis to cover 24/7 plant operation.

Knowledge in physics and fluid dynamics will be a good foundation for this role. However, possession of a Diploma in a Technical Subject **or** an A-level standard in two science subjects coupled with 2 years' experience in a similar role are being requested.

The ideal candidate shall be a methodical person, multitasking, able to work independently and handle pressure. Experience in the field of air-conditioning, refrigerants, thermodynamics, gases and/or applied physics shall also be considered as an asset.

### **Vacancy 2: Helper/Substitute Driver**

Multigas is looking for individuals who are interested to join an energetic team of employees as Helper/ Substitute Driver. Amongst other tasks the selected individual will be responsible for:

- Assisting the Driver in the day-to-day deliveries and collection of cylinders.
- Loading and unloading of cylinders in their cages and on delivery truck.
- Handling of invoices between clients and Sales Department, and vice-versa.
- Substituting the driver as per company requirements.
- Performing skilled labourer duties as and when required.
- Using tools provided by the company such as cranes, fork lifters and palletisers.
- Attending to the required training to carry out the tasks required by the job.

The ideal candidate should have:

- Good communication skills and believes in teamwork as the role requires working closely with colleagues to fulfil the clients' requirements.
- Strong customer service skills are necessary due to direct interaction with clients.
- Good writing and reading skills in both Maltese and English, together with basic mathematical background are a mandatory requirement.

Possession of driving License category C will be considered an asset.

### **Vacancy 3: Storekeeper**

We are seeking individuals to work with a dynamic team of people in a Commercial Department.

The selected person will be mainly responsible for the following activities:

- Assists in the sales area and in the day to day running of the equipment stores.
- Preparation of equipment and tools for delivery to retail outlets.
- Unpacking, checking and storing of imported equipment and tools in their allocated shelf/area.
- Shifting of equipment/tools from equipment stores to container or vice versa.
- Organise equipment stores as required.
- Replenish of stocks in the display stands in the shop.
- Deliveries of equipment when required.
- Maintains housekeeping standard at all times.

Candidates applying for this post should hold a minimum of an O' Level standard of education coupled with two years' experience in a similar role. The ideal candidate should be multitasking and able to work independently under pressure and can solve problems efficiently. Good communication skills, fluency in Maltese and English and being computer literate together with a valid driving license are required.

**Interested candidates are to submit their CVs to [recruitment@multigas.com](mailto:recruitment@multigas.com)**
