

Compressed Nitrogen Cylinder, certified food grade Specifications

- Product : Compressed Nitrogen Cylinder, certified food grade
- Standard : Source bulk manufactured in compliance with EU GMP.
- Applicable Monograph : Batch tested to the specifications depicted below, taken from EP 1247, with a tighter oxygen and moisture content specification, and the inclusion of a test for the presence of oil. Compliant with requirements of current version of FSSC 22000.
- Clarifying Notes : Non-Medicinal; Finished product outside scope of Certificate of GMP Compliance of a Manufacturer and Manufacturing Licence (GMP).
- Expiry (Gas, Cylinders) : 36 months

Parameter	Limit
Appearance	Colourless, odourless gas
Identification A <i>The principal peak in the sample chromatogram is similar in retention time to that in the reference.</i>	Complies
Assay	≥ 99.50 %
Water	NMT 26.3 ppm
Oxygen	NMT 5 ppm
Carbon monoxide	NMT 5 ppm
Carbon dioxide	NMT 300 ppm
Oil Content	Nil allowed
